Dear Sir:

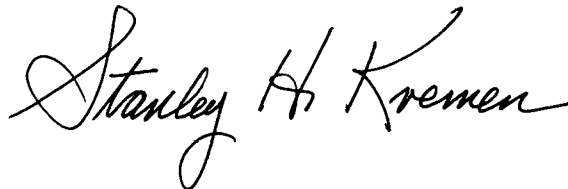

The above referenced application has been allowed. Submitted with this letter is the issue fee, which is due on July 13, 2011.

The Present Application was never published. The Applicant wishes to have Figure 6 appear on the front of his patent since that figure represents the essence of his invention. Many of the other drawings are descriptions of the prior art.

Accordingly, the Applicant submits herewith an Application Data Sheet for the Present Application. The ADS indicates that FIG. 6 should appear on the front of all published documents.

Thank you for your kind attention to this matter.

Respectfully submitted,
